

Lake Florida

(whisper) Lake Florida,  
Florida, Florida.

Found myself in  
Lake Florida, Florida

Oh, yeah

I just was there  
didn't mean to  
walked around. I

liked some things  
there... I liked  
the beach and the  
cabins were so  
cozy. And the  
playgrounds were so  
cool.

I love the green trees, they make me so happy. Plus I need to tell a lot more.

Bob and Connie are so nice & awesome.

And I liked some other stuff like the people there were so nice and

awesome. And I loved how my parents brought me here every year.

Oh yeah, Oh yeah,  
Oh yeah, Oh yeah,  
Oh yeah.

Lake Florida, every-  
one clap your  
hands and jump  
up and dance. Yeah  
Lake Florida  
Lake Florida

My brother was up  
on the water ski's  
Everyone was fishing  
what should I do

I could choose to  
go to Lake Florida,  
Florida

Found myself in  
Lake Florida
